NOTICE

It has been observed with serious concern that a section of students is attending classes and visiting the college campus without adhering to the prescribed dress code and failing to display valid institutional Identity Cards. Such deviations compromise campus security, proper identification, and disrupt the academic decorum and discipline of the institution.

All students are hereby instructed to strictly adhere to the following directives with immediate effect:

1. **Prescribed Dress Code:** Students must attend college regularly in the officially approved institutional uniform.
2. **Display of Identity Card:** Every student must wear and visibly display their valid college Identity Card at all times while on campus.

This may be treated urgent.
