One-Day National Seminar on "Poetry and the Dialectical Symbiosis between Literary Traditions"

Date: 11.11.2026
Venue: New Block 5
Organised by: PG Department of English

The PG Department of English, in collaboration with IQAC, Bhadrak Autonomous College, organised a One-Day National Seminar on "Poetry and the Dialectical Symbiosis between Literary Traditions" on 11 November 2026. The seminar explored the dynamic relationship between poetry and diverse literary traditions across cultures, languages and historical contexts. It sought to examine how literary traditions engage in dialogue, negotiate differences and enrich one another through poetic expression. The keynote address was delivered by Professor Dilip Naik of the English and Foreign Languages University (EFLU), Hyderabad. His scholarly insights offered a deeper understanding of the evolving relationship between poetic imagination and literary heritage. The seminar provided an enriching academic platform for researchers, academicians, faculty members and students to exchange ideas and engage with diverse critical perspectives. Panel discussions and interactive sessions further encouraged meaningful intellectual exchanges and critical engagement. The deliberations underscored poetry's enduring power to transcend cultural boundaries, interrogate established traditions and foster new modes of literary and aesthetic understanding.
