**Topic: Seminar Talk on "Role of Circular RNA in Muscle Regeneration"**

The seminar talk on "Role of Circular RNA in Muscle Regeneration" was conducted on 11<sup>th</sup> January 2025 under the esteemed presidency of Dr. Durga Shankar Das, Principal. The event commenced with a welcome address and introduction of the chief resource person by Mr. Ananta Kishore Sahoo, HOD, Zoology and Microbiology, followed by addresses from the Guest of Honour, Mrs. Swapna Sonalika Jena, HOD, Botany, Administrative Bursar, Dr. Dinesh Chandra Das, and Accounts Bursar, Mr. Ajay Sethy. The chief resource person, Dr. Amaresh Chandra Panda, was felicitated before delivering his insightful seminar presentation. Dr. Amaresh Chandra Panda discussed the biogenesis, function, and significance of circular RNAs in muscle repair, emphasizing their role in gene regulation and potential therapeutic applications. The session provided valuable insights into regenerative biology, with active student participation in discussions. The event was highly informative, bridging theoretical knowledge with current research advancements in molecular biology. The event concluded with a vote of thanks by Dr. Sarbeswar Nayak, Seminar Adviser, marking a successful and enriching academic session.

**Guest/Speaker Details: Dr. Amaresh Chandra Panda, Scientist E, ILS Bhubaneswar**
