Topic: Event: One day WEBINAR

Topic : 'The world of RNA: Past, present and future'

A One-day Webinar was organized by the PG Department of Botany on 25.05.2025, Saturday at BLT, Department of Botany. The speaker of the webinar was Dr. Aditya Singha Roy, Scientist, Institute of Molecular and Cell Biology, Singapore (an institute of international repute and is an autonomous Research Institute of Agency for Science, Technology and Research (A*STAR) established in 1987 within the National University of Singapore). The webinar was patronized by **Dr. Durga Sankar Das**, Principal, Bhadrak Autonomous College, Bhadrak. Dr. Laxmikanta Nayak, Asst. Prof of chem attended the event as guest of Honour and Mrs Jayashri Munda, zoology teaching faculty attended as special guest. The event was organised and attended by the Teaching faculty: Mrs Swapna Sonalika Jena (HOD), Dr. Sasmita Satpathy, Dr Priyadarshini Suchismita Sethy and Mrs. Gitanjali Nanda. About 101 students interacted with the speaker in online mode through Google meet and were hugely benefitted from all aspects.

Speaker: Dr Aditya Singha Roy, Scientist,

Institute of Molecular and Cell Biology, Singapore
